

DESIGN

INTRODUCTION

In 1953, Ancher Iversen set up the company Ancher Iversen a/s with the intention of setting the daily table with good design.

In 1969, the well-known company invited the hard-working colleague Finn Maae Jensen to become partner and when Ancher Iversen passed away a few years later, Finn became owner of the company.

In 1996, the Søholm stoneware factory joined the aida family.

In 2002, Peter Maae Jensen became managing director and principal shareholder, thereby giving the company new life in its already great heritage of making good designs for every table and kitchen.

The company completed a rebranding process and, among other things changed its name to aida (ancher iversen danmark).

Today, aida is a Danish design company striving to give food lovers the highest possible value for money within dinnerware, glassware, cutlery, kitchen utensils, lifestyle and gift articles.

CERAMIC WORKSHOP

It is autumn - almost winter in Denmark, the big chestnut trees are transformed and are putting on their autumn clothing of orange, yellow, red and brown on. You hear the small "dabs" falling to the ground – collect the deep brown chestnuts, and craft into small animals – a simple fall craft considered Danish cosiness (Hygge).

CERAMIC WORKSHOP

A new stoneware series in a good quality with lots of different expressions due to the reactive glaze. The stoneware stands proudly alone but is also perfect to mix. We are taken back to the calm of nature, the sunshine and the good memories when our thoughts are so quiet, that you can actually hear the birds tweet on a hot Danish summer day. Aida Ceramic Workshop with Meise - Dark Green stoneware, Svale - Deep Blue stoneware and Lærke - Grey Green stoneware.

WOODEN BOARDS

The aida Design Herringbone cutting boards made from acacia wood, have a classic and timeless feel not only for the kitchen – use it as a beautiful and stunning serving board also. Keep the wood from drying out, we recommend to treat it with a suitable and food approved oil. Wash it by hand, dry it thoroughly with a dishtowel and let it air dry before putting it away. Not dishwasher safe.

CONNOISSEUR EXTRAVAGANT

Meet "Next level wine connoisseur" – our series Extravagant – goes beyond for that extra in the grape experience - 3 Wine specific crystal glasses with an elegant thin bowl, stem and base. Made in Germany No. 1 is for brighter red wine and barrel-aged chardonnay – No. 2 is for white wine – No. 3 is for powerful red wine. 4 pcs. Giftbox – extra secure packaging. Dishwasher safe.

EXTRAVAGANT CARE GUIDE

Do not use soap – it can ruin your next wine experience: just rinse the glass multiple times with hot water and make sure all the residual wine is removed - three rinses usually does the trick, but feel free to continue rinsing until you feel it is perfectly clean. Then find your microfiber cloth and polish. Make sure you hold the glass by the bowl. Hold onto the glass's base (bowl) with one towel-covered hand, and the bottom of the glass's bowl with the other. Turn gently in one direction and rub lightly on any water spots.

PASSION CONNOISSEUR

The Passion Connoisseur series includes six grape-shaped glasses of the highest crystalline quality and is designed to reach the full potential of every wine. Passion Connoisseur is manufactured in Germany, made of lead-free crystal, is durable for daily use, dishwasher safe and has a 25-year warranty. New is the 6 pcs gift box with an up-dated design.

SØHOLM SONJA

The story began in 1968, when the children's television series "Sonja from Saxogade" captivated the Danish television viewers and shaped the first SONJA stoneware. Now, 50 years later, we have updated the mood board and are introducing SONJA 2019. A memorable blue winter sky sets the tone of this visually stunning, high quality, modern stoneware collection with an organic touch from the timeless Danish design period.
